The screenshot shows the website's navigation menu with options like 'Family & Caregivers', 'Medical Professionals', and 'Our Programs'. The main content area is titled 'Programs for Grief and Healing' and includes a sidebar with 'Grief & Bereavement Programs' and 'Upcoming Events'. The main content area features a grid of program cards: 'Grief Support Services', 'Journeys Newsletter', 'Memorial Events', 'Solace House', 'Camp Erin', and 'Camp Carousel'. Each card includes a representative image and a brief description of the service.

Over the years, Kansas City Hospice has developed a wide range of specialized services to better meet the unique needs of people facing a life-threatening diagnosis.

These programs include Carousel pediatric palliative care, Kansas City Palliative Medicine, and Palliative

Home Care, for patients who aren't ready for hospice and who may be receiving treatments for a cure.

Kansas City Hospice also provides grief support programs including Camp Carousel, Camp Erin, Solace House, and other grief support groups. Kansas City Hospice is the Moyer Foundation's Camp Erin Kansas City partner.
