

## Tu Nidito - No Child Grieves Alone

Created by [Tu Nitido](#)

Tu Nitido is a safe place where children, teens, young adults and families find comfort, hope and support while they are grieving the diagnosis of a serious illness or the death of a loved one. When these events occur, children and families experience many emotions and changes to their lives.

Each year they support hundreds of individuals on their journey to healing. Programs are offered at no cost to those that need grief support.

Tu Nidito serves as a place to share, a guiding resource and a source of comfort. Tu Nidito's programs are focused on emotional, social and educational support delivered through support groups, one-on-one support, camp and crisis intervention.
