

Children's Grief Center of El Paso

Created by [Children's Grief Center of El Paso](#)

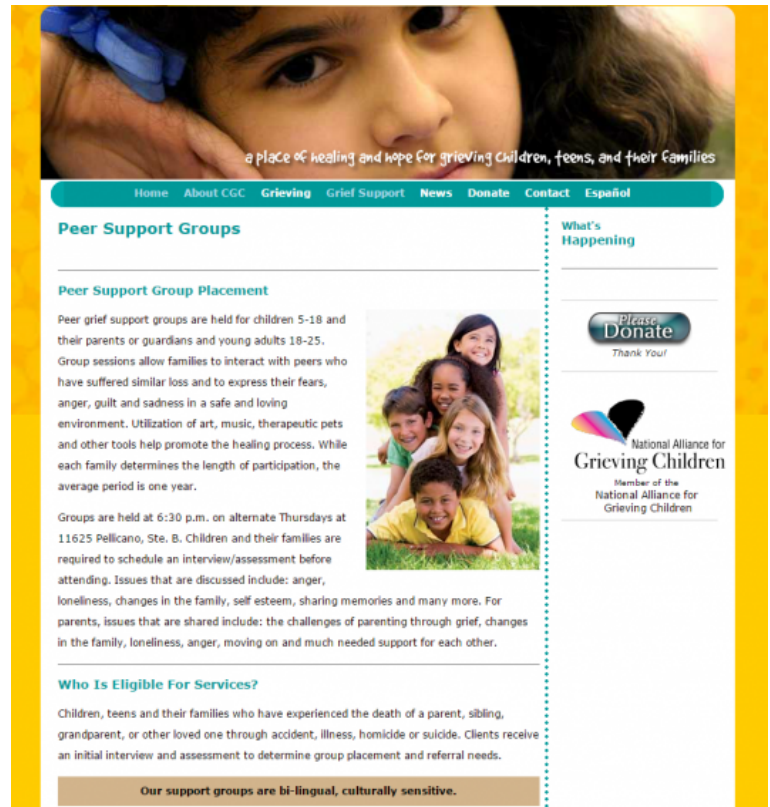

Children's Grief Center of El Paso is a non-profit organization that provides healing and hope in a safe and loving environment for grieving children, teens and their families following the death of a loved one.

Peer grief support groups are held for children 5-18 and their parents or guardians and young adults 18-25.

Group sessions allow families to interact with peers who have suffered similar loss and to express their fears, anger, guilt and sadness in a safe and loving environment.

Services are provided by Master's Level Certified Grief Therapists, Counselors, Social Workers, and trained volunteers.

A screenshot of the website for the Children's Grief Center of El Paso. The header features a large image of a young girl with a blue bow in her hair, with the text "a place of healing and hope for grieving children, teens, and their families" overlaid. Below the header is a teal navigation bar with links: Home, About CGC, Grieving, Grief Support, News, Donate, Contact, and Español. The main content area is titled "Peer Support Groups" and includes a section for "Peer Support Group Placement" which describes the program for children 5-18 and young adults 18-25. It mentions that sessions are held at 6:30 p.m. on alternate Thursdays at 11625 Pellicano, Ste. B. and that families are required to schedule an interview/assessment before attending. A list of issues discussed is provided, including anger, loneliness, changes in the family, self-esteem, sharing memories, and more. A section titled "Who Is Eligible For Services?" lists criteria such as the death of a parent, sibling, grandparent, or other loved one through accident, illness, homicide, or suicide. A "Please Donate" button is visible on the right side, along with the logo for the National Alliance for Grieving Children. A footer note states: "Our support groups are bi-lingual, culturally sensitive."
